Thank you for your interest in attending the events of the National Eucharistic Pilgrimage (NEP). If you already know which event(s) you would like to sign up for, click the "Register" button above.

If you would like to see all the events open to the public in the diocese, you may scroll through them below, then click "Register" either at the top or bottom of this page; you will be able to select which events you are registering for as you go through the sign-up process.

The NEP is an initiative that stems from the grassroots focus of the National Eucharistic Congress. Each (arch)diocese along the four routes of the NEP has served as a full partner in planning events of the NEP, so if you sign up for events in different dioceses, you are likely to see different approaches, all with the same goal - to encounter the Risen Christ in the Blessed Sacrament and be sent forth on mission to share the Good News.

Please note that events and their details - location, timing, etc. - are subject to change.
